

AUTHORIZATION TO RELEASE INFORMATION

INSTRUCTIONS

To apply for financial aid at NHS, families must complete the online application through FAST, a third party company that gathers and assesses financial information as a service to schools. Apart from NHS Financial Aid, we will also submit the forms for additional financial aid opportunities through other organizations, such as Aldeen and Aasra Foundations if you qualify under their guidelines for financial assistance.

In order to provide the confidential financial information to these organizations for their financial aid review process, families must sign a release. In addition to financial information, Aldeen Foundation also reviews a student's grades to determine eligibility for their scholarship program. Please sign this form along with the required documents to the Business Office to authorize NHSP to release financial and academic information to these organizations.

AUTHORIZATION TO RELEASE FINANCIAL INFORMATION AND DOCUMENTS TO AASRA FOUNDATION

I hereby authorize New Horizon Pasadena to release financial information and documents to Aasra Foundation for the sole purpose of applying for their financial aid and scholarship programs. All information will remain confidential.
